Olive & Tomato Relish

About this Relish

• Made with juicy tomatoes and Middle Eastern olives that are individually pitted one by one and seasoned with the fragrant flavours of Zaatar and zesty Sumac.

• It is delicious as a dip on its own or for topping fresh dips such as beetroot and enjoyed as an aperitif and makes a good condiment to a cheese board and barbecued meat.

• It makes a tasty filling for omelettes and stuffing for vegetables such as potato skins, butternut squash and bell peppers especially when topped with cheese.

• Naturally sweetened with tomatoes, pomegranate and date molasses, it transforms a simple bowl of spaghetti into a favourite supper for the whole family especially when topped with Mozzarella and fresh basil leaves.

• Use it to add flavour to old grains such as burgul or Freekeh topped with caramelized onions and slivered almonds for an easy healthy salad.
