Terra Rossa is proud to announce that it has become a distributor of Zaytoun's Palestinian range of products

Zaytoun is a social enterprise inspired by a love of Palestinian culture, communities and cuisine to support Palestinian farmers through fair trade. 100% of their profits are reinvested into delivering this mission. Palestinian farmers have been cultivating their lands for thousands of years and continue to do so, despite the challenges of farming under illegal occupation in the West Bank. Whether it's peppery olive oil, fudgy Medjoul dates, sweet crunchy almonds, Zaytoun is dedicated to bringing you the very best from Palestine's fertile groves and fields.

Terra Rossa will be stocking Zaytoun's range of Extra Virgin Olive Oils, Jericho's finest Medjoul Dates and Om Al-Fahem Almonds.
